

Medline completes successful acquisition of surgical solutions business from Ecolab Inc.

August 1, 2024

Advanced sterile drape solutions, surgical products, and OEM capabilities bolster Medline portfolio

NORTHFIELD, Ill., Aug. 1, 2024 /PRNewswire/ -- [Medline](#), a market-leading manufacturer and supplier of medical supplies and solutions, is pleased to announce the successful closing of its acquisition of the global surgical solutions business of [Ecolab Inc.](#), including the industry-leading Microtek™ product lines. This strategic acquisition marks a significant milestone in Medline's growth strategy and commitment to delivering innovative solutions to its customers.

First [announced in April 2024](#), the acquisition of Ecolab's global surgical solutions business operations, products, and talented team enhances Medline's capabilities and deepens its portfolio, bringing proven innovation, high quality products, and expanded service offerings.

"We are thrilled to officially welcome the nearly 3,500 Microtek surgical solutions business team members to the Medline family," said Jim Pigott, president and chief operating officer for Medline. "Our surgical solutions business is poised for a bright future as we continue to provide exceptional service and innovative solutions to our customers. With this acquisition, we are eager to collaborate with healthcare providers and cutting-edge medical device companies to bring innovative solutions to the surgical suite."

Medline is committed to ensuring a seamless transition for employees, customers, and partners during its integration process, maintaining the highest standards of service and support throughout this period.
