### **Forward-Looking Statements**

This press release contains forward-looking statements. Forward-looking statements include all statements that are not historical facts. Words such as "anticipate," "assume," "believe," "contemplate," "continue," "could," "estimate," "expect," "foreseeable," "intend," "may," "plan," "potentially," "predict," "project," "seek," "should," "will," or "would," or similar words or phrases that convey uncertainty of future events or outcomes, are intended to identify forward-looking statements. These forward-looking statements relate to matters such as our industry, business strategy, costs, and costs savings, impacts of accounting standards and guidance, goals and expectations, market position, future operations, margins, profitability, capital expenditures, liquidity and capital resources, legal matters, trends, and other financial and operating information. The forward-looking statements are based on management's current expectations and are subject to various risks, uncertainty, and changes in circumstances, many of which are beyond our control, that could cause actual results to differ materially.

Although we believe that the assumptions underlying the forward-looking statements are reasonable, we cannot guarantee future results, level of activity, performance or achievements. Accordingly, there are or will be important factors that may cause actual results to differ from expected results. These factors include but are not limited to those described under "Risk Factors" in Medline's registration statement on Form S-1, as amended, relating to the offering and "Item 1A. Risk Factors" in Medline's Annual Report on Form 10-K for the fiscal year ended December 31, 2025, as filed with the SEC, as such factors may be updated from

time to time in Medline's periodic filings with the SEC. These factors should not be construed as exhaustive and should be read in conjunction with the other cautionary statements that are included in Medline's filings with the SEC. Except as otherwise required by law, we disclaim any intent or obligation to update any "forward-looking statement" made in this press release to reflect changed assumptions, the occurrence of unanticipated events, or changes to future operating results over time.
